- 4:30 p.m. **Adjourn**

WHY SHOULD YOU ATTEND?

Fast and furious is how changes in environmental regulations and legislation are coming these days.

Whether you are new to the field or a seasoned environmental professional, you know how tough it is to stay on top of the complexities of environmental regulations. SAMA's Environmental Seminar is a basic program intended to give you a better understanding of regulations and programs, especially, those of the Texas Commission on Environmental Quality (TCEQ) and the City of San Antonio.

Get up-to-the-minute information you need from seminar speakers and handouts to address the issues that challenge you daily, find solutions to problems you currently have, and make the right decisions your job requires. Familiarize yourself with frequently used terms and acronyms, and find out how to research issues on your own.

SEMINAR PAYMENT

- \$130 For SAMA Members
- \$150 For Non-Members
- \$25 For Students

Seminar fee includes the luncheon, all seminar presentations, and breaks. **Cancellations** must be in writing and received by October 3rd. Substitutions are acceptable, but please notify the SAMA Office of any changes.

ARE YOU INTERESTED IN SPONSORING?

SAMA is committed to growth through education, training and experience and we invite you to participate this year as a SPONSOR in our Environmental Seminar. **The sponsor fee is \$230**, which entitles you to a table in the break area, inclusion of literature for your company's products and/or environmental programs, which will be included in the seminar handout material and admittance into the seminar.

If you are interested in participating as a sponsor, please call the SAMA Office, 979-7530.
